I am sending you under separate cover a copy of each of our three publications, Long and Medium Wave Broadcasting Stations of the World, Short Wave Broadcasting Stations of the World and Broadcasting Stations of the World according to Country and City. The material contained in these publications is not classified.

We publish no correction or addition sheets to these books. However, we endeavor to print new issues periodically. We shall be glad to continue sending you revised copies as they are published and shall look forward to receiving each new edition of the World Radio Handbook in return.

I am sorry that you did not find time to visit us on your recent trip to Washington. We should like very much to meet you and to talk with you when you are in town again.

Sincerely,

L. K. White
